

## Movie Talk Cards

Cut out the cards and tuck them in your pocket. Use them before, during breaks, or on the drive home.

### **Trailer Bet**

*Before the movie starts, everyone secretly predicts 2 trailers they think will play. Reveal after. Who was closest?*

### **One Word Only**

*After the movie: describe it in exactly one word. No explanations allowed. Compare your words. Why did you each pick yours?*

### **Change One Thing**

*Each person names one thing they'd change - the ending, a character, one scene. What would your version look like?*

### **Best Moment**

*Name the single best moment of the whole movie. Not your favorite character - the one moment you'd rewatch right now.*

### **Snack Rankings**

*Everyone rates every snack that was opened during the movie, 1-10. The concession stand champion is crowned.*

### **What Happens Next?**

*If there were a sequel, what would happen in the first scene? Everyone writes or says their answer. Vote on the best one.*

### **GRANDPARENT TIP**

Matinees before noon are typically \$3-5 cheaper per ticket. Ask at the box office about any senior or discount pricing - it's rarely posted online but often available. Bring your own candy in a sealed bag; most theaters allow it.
